WHAT WE DO IN EUROPE AND ROMANIA

Terre des hommes (Tdh) is the leading Swiss child relief agency. Founded in 1960, we are committed to improving the lives of millions of the world's most vulnerable children. Through our innovative protection and health projects, we provide assistance to over four million children and their families in almost forty countries each year. In Europe, Tdh intervenes directly or indirectly in many countries, relying on teams based in Budapest, Albania, Greece, Kosovo, Romania, Moldova and Ukraine.

In Romania, Terre des hommes (Tdh Ro) has been active since 1992. For the past few years, the delegation has been working on three main intervention areas: (1) Strengthening child protection and juvenile justice systems, (2) Protection of children affected by migration/trafficking, and (3) Social inclusion of minorities. Every year thousands of children and their families benefit from projects implemented either at a national or regional level.

ROLE DESCRIPTION

Together with Quality and Accountability Coordinator, this role supports the delegation in design and implementation of quality & accountability within projects and programs implemented by the delegation. The Monitoring and Evaluation Officer provides methodological and technical support to project teams for all the work related to project management, information management and support in the decision-making processes of the key stakeholders.
